**Annual Parish Meetings**

*“The Annual Parish Meeting must take place between 1st March and 1st June. This is where the parish hears all that has been going on in the parish in the previous 12 months.*

*No Local Council business is discussed at this meeting but the council may wish to provide a report of their activity.*

*There are many ways to conduct an Annual Parish Meeting. Some have reports from community organisations/groups, some use it as an opportunity to consult the community re projects and future work, and some use it as a celebration of community activity. How you conduct your meeting depends on the parishes wishes.”*
